## **DIRECTORS' REPORT**

The Directors present their report and the audited financial statements of Cork Simon Community ("the Company", "the Community" or "Cork Simon") for the year ended 31 December 2022 and its subsidiary, Simon Community ( South East ) Company Limited by Guarantee ("South East Simon") (together "the Group").

Irish law requires the directors to prepare financial statements for each financial year giving a true and fair view of the Group's and company's assets, liabilities and financial position at the end of the financial year and the profit or loss of the Group for the financial year. The financial statements have been prepared in accordance with Financial Reporting Standard 102 (FRS 102) and Irish statute comprising Companies Act 2014 as applied in accordance with the Statement of Recommended Practice (SORP) (FRS 102) 'Accounting Reporting by Charities' as jointly published by the Charity Commission for England and Wales and the office of the Scottish Charity Regulator, who are recognised by the UK Accounting Standards Board (ASB) as the appropriate body to issue SORPs for the charity sector in the UK. Financial reporting in line with the SORP is considered best practice for charities in Ireland. The directors consider the adoption of the SORP requirements is the most appropriate practice and presentation to properly reflect and disclose the activities of the Group and Company. The corresponding figures included in the comparative financial statements are prepared on the same basis.

### **Overview of Group**

On 19 November 2020, Cork Simon acquired control of South East Simon. This has been accounted for as using merger accounting in the Group financial statements. South East Simon is a company limited by guarantee in the Republic of Ireland and its registered office is 10A Waterside, Waterford.

### **Objectives and activities**

The parent undertaking, Cork Simon Community, was founded in 1971 for the charitable purpose of alleviating homelessness and the problems associated with homelessness. South East Simon Community was established in 2003 with a similar purpose. Both entities work in solidarity with men and women who have past or present experience of homelessness, or at risk of future homelessness. We campaign for a society without homelessness. Both entities particularly concerned for people whose experience of homelessness is not just a short-term setback but is a longer term manifestation of deep social exclusion.

Homelessness takes many forms. Sleeping rough is very visible but many people's experiences of homelessness are often hidden. Homelessness causes countless practical difficulties. It also has a detrimental effect on people's health and well-being. It is an isolating experience and people experiencing homelessness are some of the most vulnerable and socially excluded people in our society.

Many people seeking both entities' services are experiencing the following or a combination of the following: suffering from the impacts of poverty, childhood trauma, social deprivation, low income, weak social and familial supports and networks, social exclusion, sleeping rough, physical health problems, a range of mental health issues (including chronic), addiction, substance misuse, behavioural concerns, surviving abuse, learning difficulties and self-harming.

The continuation of the housing crisis in Ireland has made it even more difficult for people to find and access housing and for people who have been pushed into homelessness.

Both entities offer a range of services in response to these needs including low threshold emergency accommodation, key working and case management, and a range of housing and accommodation with appropriate levels of care and support. Both entities are each an Approved Housing Body and social landlords. We work to a Housing Led approach to addressing homelessness.

A Housing Led approach embodies a commitment to housing as a social right. The aim of this approach is to minimise the number of steps and the amount of time a person has to take from the point of becoming homeless to the point of being rehoused. A Housing First or Housing Led approach provides immediate or near-immediate re-housing without any requirement that people experiencing homelessness show themselves to be 'housing ready' before they are re-housed. Support to sustain their housing and improve their health, well-being and social integration is provided to people in their own home and use of that support is something over which people exercise considerable choice and control.

The following values are inherent in what both entities do and how we work: equality, rights based, social justice and social action, trauma informed, choice, respect, person centred, client led, empowerment, diversity, inclusiveness, community engagement, activism, engagement, acceptance, understanding, dynamism, openness to new ideas, collaboration and supportiveness.

## **DIRECTORS' REPORT - continued**

### **Objectives and activities - continued**

In 2022, Cork Simon provided the following services:

- **Outreach team:** Working on the street and from our Day Service, the team supports people sleeping rough, surviving in squats or people who have no other option but to stay with friends – people on the very edge of homelessness. Often the first point of contact for people falling into homelessness, the team works to make sure the most appropriate supports are available to address each person's individual needs. These supports include access to accommodation and housing, to a range of health services, and harm reduction supports relevant to problem drug and alcohol use.
- **Soup Run:** Our first service took place back in 1971 – and it continues to operate every night of the year. A team of part-time volunteers, often joined by a member of our Outreach Team, offers respite from the elements, hot nourishing food and a listening ear in a warm, friendly, non-judgemental environment.
- **Emergency shelter:** Open around the clock, the shelter provides care, accommodation, and one-to-one support for people each night. The shelter team works with each resident, assessing their needs and working with them on a clear pathway out of homelessness as quickly as possible. In 2022 the Covid-19 pandemic still impacted the services with rooms for isolation and ongoing preventative measures in place. As government COVID-related restrictions were lifted, we started to restore full capacity, which we achieved by mid-year; we added additional capacity in response to a growing need for emergency accommodation.
- **Night Light:** Additional emergency accommodation we put in place in November 2017 in response to a growing need. It was part of Cork City's Winter initiative at the time. We maintained the service ever since as that need continued to grow. Night Light consisting of up to 16 spaces per night, Night Light beds are medium threshold and are available during night-time hours only.
- **Day service and rough sleeper service:** A hub of activity housing a specialist team of HSE doctors, nurses, counsellors and other health professionals who provide the most appropriate healthcare for people who are sleeping rough or staying in our Emergency Shelter and Night Light. Our Rough Sleeper Service also operates from the centre, providing rough sleepers with shower and laundry facilities, breakfast and an opportunity to explore housing options.
- **Youth homelessness and drug prevention service:** Working specifically with 18 to 26 year olds who are homeless or at risk of homelessness, and who are either at risk of drug use or are active drug users, the service offers a range of direct one-to-one supports, and refers people to other services as appropriate.
- **Housing support services:** Cork Simon provides a rapid resettlement service and intensive support services in line with our Housing-Led approach to tackling homelessness. This means supporting people to move out of homelessness as quickly as possible and into permanent housing with a tailored visiting support package for as long as each person needs. As social landlord we provide some permanent housing directly, we make housing available in the private rented sector through our Social Rentals initiative and we work closely with other social housing providers so as to make sure the most appropriate housing is available to suit people's individual needs.

## **DIRECTORS' REPORT - continued**

### **Objectives and Activities – continued**

- **Cork Region Housing First Service:** Cork Simon is the lead agency for the Cork Region Housing First Service. The service is delivered in partnership with Focus Ireland and with the Health Service Executive (HSE). The service was established in April 2020 and provides housing linked to intensive case management, clinical nursing, addiction counselling and related support for people who are long term homeless with very complex support needs. We reached the target for the service to have 40 tenancies in place by 2022. Half of the units are to be delivered by Cork Simon / Focus Ireland and the remainder by Cork City Council. The service has been extended for two years to 2024. We were supporting 35 ongoing Housing First tenancies at the end of 2022. Co Cork accounts for 11 ongoing tenancies at the end of 2022 and 10 ongoing tenancies for Co Kerry.
- **High support housing:** We also provide intensive levels of round-the-clock care every day for men and women whose health and other personal support needs are such that they are unable to live independently. Residents have their own room and share kitchen and other common areas. Experienced care workers and trained volunteers staff all five high-support houses. One of these houses, Gateway, operates as a recovery-oriented pre-stabilisation service for people with addiction issues. Another, Mill House, was reassigned as emergency accommodation for women during 2022.
- **Specialist services:** A range of services which include a drug and alcohol programme; an addiction treatment aftercare support and housing service (providing 7 aftercare beds in two houses); the provision of counselling and addiction counselling services, that all coordinate with the Youth Homelessness and Drug Prevention programme, and the Social Integration and Participation service, which includes the Employment & Training Service initiatives.
- **Social integration and participation programme:** Working across all Cork Simon services, the programme creates opportunities for people to build social support networks, build self-confidence, and interact positively with the wider community. This helps to tackle loneliness, boredom and isolation that are often present for people experiencing homelessness or returning to independent living. Participation in activities can often be a doorway to further education and training. This service was heavily impacted during the pandemic with activities being suspended for a period and staff redeployed. The service was fully restored when government COVID-related restrictions were lifted in early 2022.
- **The Employment and training service:** This is a social integration and participation programme. The team supports people who have often left school early and are long-term unemployed to complete their formal education, retrain and return to the workforce. It is a practical way to help people build self-confidence and develop new skills. The team works closely with external education providers and training agencies. Getting people back to work and back to participating in the wider community can make all the difference in helping to make sure people can leave homelessness behind them for good. Employment & Training works closely with local employers to provide direct support to people by helping them to improve their employability through short-term work placements and ultimately full-time employment. This service was heavily impacted during the pandemic with classes being suspended for a period and staff redeployed, In-person teaching was replaced with online options and supports. Social distancing rules meant that reduced class sizes had to be the norm. The service was fully restored when government COVID-related restrictions were lifted in early 2022.
- **Campaigning programme:** As a community working within the wider community, we pursue a comprehensive programme of advocacy, communications and marketing campaigns aimed at growing and developing the support and engagement of all our stakeholders, the general public, politicians, policy makers, influencers and media among others. We work closely with the Simon Communities of Ireland in its national policy advocacy work.
- **Volunteering programme:** We provide full time and part time volunteers, and student placement opportunities across our services.

In 2022, South East Simon provided a similar range of services. These are outlined in detail in the separate financial statements on that company.

## **DIRECTORS' REPORT - continued**

### **Review of activities in 2022**

During the year we responded to an increase to the number of people seeking our range of services.

- 1,370 people turned to Cork Simon Services and 110 people turned to South East Simon for help and a range of supports in 2022.
- 47 people were newly housed in 2022, moving to secure and affordable, independent and supported housing or high-support housing.
- Our Housing and Support Services supported 250 people throughout 2022. Working to a Housing First philosophy, the Housing and Support service supports people to move from homelessness to secure and appropriate housing and through tailored supports, helps people maintain their homes and work towards fulfilling their goals.
- Between the Emergency Shelter and the Night Light, an average of 64 people per night relied on Cork Simon for emergency accommodation.
- Our Outreach service met 415 people sleeping rough for at least one night during 2022.
- 529 people depended on our emergency shelter and night light for care and supports in the heart of Cork city. 52% were first-time presentations to our emergency accommodation.
- The Soup Run served 6,888 hot meals and provided one-to-one supports to on average 19 people per night.
- 680 people presented to the Day Service during 2022. The majority were people who were rough sleeping or in a range of temporary housing.
- Addiction Treatment & Aftercare service supported 82 people. 148 people availed of our needle exchange service. Our Youth Homeless Drug Prevention service supported 27 young people.
- 44 people lived in our four high-support houses in which Cork Simon provides communal accommodation and on-site round-the-clock supports.
- 363 people engaged with the Education, Training and Employment Project in 2022. 291 were men (80%), 72 were women (20%).
- More than 16,000 kind hearted and committed donors donated €5.7 million in support of our work.
- Volunteers remain at the heart of everything we do. We are thankful for the volunteers who continue to help improve the quality and effectiveness of all our services for people who are homeless in Cork. 52 part-time volunteers and 15 full-time volunteers from 4 different countries gave generously of their time and skills during 2022. They worked alongside our highly trained and experienced staff in reaching out to and supporting people using our services. Volunteers are involved in every aspect of Cork Simon's work: in our emergency shelter; visiting people; getting involved in sports, arts and other activities; helping people develop life skills like cooking and literacy; and doing office and administration. Volunteers join with the Outreach team in providing the Soup Run. Volunteers organise and participate in a variety of events including flag days and collections, and community-based events to help raise funds. The Board of directors are all volunteers.

In 2022, South East Simon conducted a similar range of activities. These are outlined in detail in the separate financial statements on that company.

## **DIRECTORS' REPORT - continued**

### **Achievements and performance**

During the year, in line with our objectives and priorities:

- We continued our major focus on keeping Cork's vulnerable homeless population safe from COVID-19 during the year. We had managed the issues arising from the pandemic in conjunction with our normal operations. Upon the lifting of government COVID-related restrictions in early 2022, we immediately restored services that were suspended because of COVID-19 and started to restore capacity at services that were restricted because of the pandemic.
- We progressed work on our Community Plan (strategy) for the years to 2025. This includes the further elaboration of our Housing Led and Trauma Informed approach to addressing homelessness and incorporates planning for South East Simon.
- We actively promoted the Housing First / Housing Led approach which is aimed at making sure people experiencing homelessness are assisted to live their lives in their own ways through a model that offers choices in both housing and support services to facilitate personal empowerment and recovery.
- We continued to take a Trauma Informed Care approach to service delivery across all Cork Simon services. This involves implementing learning from the research and audit of services from a trauma informed perspective and training for staff in the principles of trauma informed practice.
- As part of the Cold Weather Initiative for Cork City, we again agreed with the Cork City Council to keep the Night Light service open throughout the year. While this is a basic service, it provides respite from the street and a warm place for people.
- With funding through the Cork City Council, we continued the Cork Regional Housing First service, in partnership with Focus Ireland. The service benefits greatly from the support of the HSE, clinical support specialists who work side by side with the Case Management Team in delivering intensive supports to clients of the service.
- Our Campaigning programme continued to conduct the 'Locked out of the Market' studies throughout 2022. These reports highlight the ongoing gap between Rent Supplement / Housing Assistance Payment and rising rents in Cork and nationally, reflecting the challenges people using our services face when trying to find an affordable home and a route out of homelessness. We also created and implemented a comprehensive media campaign throughout the South West and South East highlighting the value our donors and volunteers bring to the lives of the people we support. Through our ongoing programme we raise awareness and recruit the wider public to help communicate the severity of the housing and homeless crisis, to politicians, policy makers and influencers, media among others.
- With the generosity of our donors, our fundraising team of staff and volunteers raised almost €5.7 million gross in voluntary donations and bequests in 2022, a hugely impressive achievement at a time of pandemic. This support is required to deliver and sustain each of our services.
- We continued the integration with South East Simon Community in the areas of Housing First, homeless services, fundraising, campaigning, accounting, staffing and management supports. All staff providing South East Simon Community services are employees of Cork Simon Community and we have worked to implement the same policies across the wider team.
- We are implementing the National Quality Standards Framework standards of service delivery and document how this can be evidenced.
- Our GDPR working group reviews and seeks to improve processes and policies across the organisation.

## **DIRECTORS' REPORT - continued**

### **Achievements and performance - continued**

- Our Women in Services working group continued its work during 2022.
- We continued to represent the people we support at Local and Regional Homeless fora and continued to represent Cork and South East Simon's experience on the ground at a national level at the Simon Communities of Ireland.

The achievements and performance of South East Simon is outlined in detail in the separate financial statements on that company.

### **Financial review**

The directors' report the following significant financial events during the year:

- The financial results for the year ended 31 December 2022 are shown in the Consolidated Statement of Financial Activities on page 19. This includes the results of Cork Simon and of South East Simon for the year.
- Income from allocations and grants from other agencies accounted for 40% of income for 2022 (2021: 40%). Fundraising and other income account for 60% of income in 2022 (2021: 60%).
- Total income amounted to €11,879,085 (2021: €11,425,687). This includes €450,000 received in 2022 as capital donations and restricted to housing capital. Total expenditure was €13,249,596 (2021: €11,407,945). The net expenditure for the year amounted to €960,370 (2021: net income €701,254).

The end of year consolidated reserves are reported as €7,670,515. These reserves are comprised of:

	€
Unrestricted funds	2,266,602
Restricted funds	311,330
Designated funds	2,730,000
Restricted building funds	2,362,583
Total reserves as reported at year end	<u>7,670,515</u>

Of the consolidated restricted funds shown above, this includes €127,698 of grants restricted for South East Simon.

### **Reserves and investment strategy**

Cork Simon and South East Simon have a responsibility to ensure that it uses the funds and resources it receives for its charitable purpose of ending homelessness. Grants are confirmed on an annual basis and other sources of income and resources are not guaranteed. Cork Simon and South East Simon must plan its use of these funds and resources to ensure the continuity and sustainability of the services it offers. To this end, Cork Simon and South East Simon hold a reserve fund and currently targets to hold four months of operating costs in reserve.

As is usual for housing bodies, Cork Simon and South East Simon hold a property maintenance and development fund, often referred to as the 'sinking fund'. The directors have designated unrestricted funds for the future maintenance and development of the community's properties. At the year end this designated fund amounts to €2,730,000 in the Group financial statements and €2,430,000 in the Company financial statements.

Cork Simon has put in place an investment strategy that sets out clearly how it plans to make the best use of any available reserve funds in a low risk environment in line with its charitable purposes.

## **DIRECTORS' REPORT - continued**

### **Vision**

Our strategic vision for Cork Simon and South East Simon can be stated in one line: *“Achieving Functional Zero Homelessness by 2030 in the communities we serve”*.

Functional Zero homelessness is achieved when there are enough services, housing and shelter beds for everyone who needs it. When Functional Zero is achieved, nobody becomes or remains long term homeless.

Our mission is to play a leading role in providing housing and services aimed at preventing and ending homelessness in the South West and South East regions via:

- Initiatives aimed at the prevention of homelessness and diversion from enmeshment in homeless services;
- Provision of sufficient short term housing-orientated shelter and supports; and
- Provision of sufficient housing and support in housing to prevent and end long term homelessness.

Our focus between 2022 and 2025 will be on ensuring that all our services are housing orientated, trauma informed, focused on harm reduction and on promoting recovery and greater personal independence. In line with this, we will expand our shelter provision where necessary and will be moving away from dormitory style provision and shared rooms and towards single room occupancy in such services.

We will be increasing our housing delivery substantially with a particular focus on one bed apartments in line with participant needs. We will build our capacity to manage our growing housing stock effectively and efficiently. We will evaluate and enhance services provided in High Support Housing.

We will continue to develop our Housing First and Housing Led support services for people leaving homelessness, as well as our range of specialist support services relating to addiction, social integration and education, training and employment.

We will proactively engage in partnerships, networks and campaigns aimed at maximizing our influence and impact on ending homelessness in our regional areas. We will also work to ensure that our organisational structure, infrastructure, culture and communications are enhanced to support organisational growth and effectiveness and to build resilience in challenging times.

### **Plans for future periods**

Cork Simon's main priorities in 2023 are:

- Complete our Community Plan for the period 2022-2025.
- Continue to align all Cork Simon services with a Trauma Informed Care approach.
- Facilitate faster onward progression for people out of homelessness, in line with Housing Led principles.
- Move towards ending our reliance on large scale institutional emergency accommodation. Increase the number of scatter site flats and inclusive housing projects.
- Secure additional housing units through a range of sources, including properties owned by Cork Simon, as housing options for people in emergency and temporary accommodation or sleeping rough in Cork and Kerry.
- Continue to deliver housing and intensive support services to people who are long term homeless under the Cork city, Cork County and Kerry County Housing First services.
- Plan for the development of the property at Railway Street, Cork, for which planning was granted in April 2022.
- Continue to support people who are sleeping rough to reduce harms associated with life on the streets.
- Secure funding for several services which have been financed by fundraised income, including our aftercare services, our social integration and participation, and coordinated education, training and employment services.
- Enhance specialist services including services for young people, women, people with drug and alcohol addictions and people with mental health issues.

## **DIRECTORS' REPORT - continued**

### **Plans for future periods – continued**

- Improve the situation of people who are currently homeless through Cork Simon acting as a leading advocate for the right to housing and supports for all at a national and local level.
- Continue to maintain and develop Cork Simon's broad support base and promote a general understanding of the causes of and solutions to homelessness, and Cork Simon's public value.
- Commission an independent governance review for Cork Simon and South East Simon. These are usually conducted every three years. The last one was in 2019.
- Continue to implement the eight themes of the National Quality Standards Framework across all services.
- Demonstrate how we comply with the new Charities Regulator Governance Code.
- Demonstrate how we comply with the Governance and Performance Standards issued by the Approved Housing Bodies Regulatory Authority.

South East Simon Community's main priorities in 2022 are:

- Complete a strategic plan for the period 2022-2025 jointly with Cork Simon Community.
- Align all South East Simon Community services with a Housing Led approach.
- Facilitate faster onward progression for people out of homelessness.
- Carry out a review of South East Simon Community governance and management structures and arrangements.
- Elaborate a model of key working and case management in line with new standards for homeless services, to better support people on their journey out of homelessness.
- Offer an expanded range of housing options to people with high-support needs.
- Identify and access an increased number of housing units suitable for the needs of people we support and through various sources.
- Secure sustainable funding to support ongoing services.
- Improve the situation of people who are currently homeless through South East Simon Community acting as a leading advocate for the right to housing and supports for all at a national and local level.
- Continue to maintain and develop South East Simon Community support base and promote a general understanding of the causes of and solutions to homelessness, and South East Simon's public value.
- Implement the National Quality Standards Framework across our services.
- Complete the transfer to South East Simon of six properties in Clonmel which are currently owned by Simon Communities of Ireland. South East Simon is providing housing and support services at these properties.

## **DIRECTORS' REPORT - continued**

### **Relationships with other bodies**

Cork Simon and South East Simon recognise that the range of needs of people who are homeless are too complex for one organisation to solve. Both entities foster relationships and working arrangements with a variety of other agencies and providers of related services.

- Cork Simon Community and South East Simon are part of a network of eight independent Simon Communities operating in the Republic of Ireland, the others being in Dundalk, Dublin, Midlands, Galway, North West and Mid-West. All eight Simon Communities share common values and ethos in tackling all forms of homelessness throughout Ireland and work collectively through a National Office to conduct valuable research and to inform and influence national policy.
- Cork Simon and South East Simon are each an Approved Housing Body and a member of the Irish Council for Social Housing.
- Cork Simon Community has close links with other agencies in Cork providing services for people who are homeless. As part of the Cork Social Housing Forum, Cork Homeless Forum and the Cork Youth Homeless Forum we seek to achieve a co-ordinated approach to homelessness in Cork. Similarly, South East Simon Community has close links with other agencies in providing services for people who are homeless. We are members of the Waterford Homeless Service Providers Network and of the South East Regional Homeless Forum.
- Cork Simon is the lead agency for the Cork Region Housing First service and has a close partnership with Focus Ireland, the HSE and Cork City Council in the delivery of this service.
- The Southwest Joint Regional Homelessness Consultative Forum is a key policy link between the delivery of homeless services in the South West and national policy. The Forum is responsible for the Cork & Kerry region.
- Cork Simon Community has good working relationships with the Health Service Executive, Cork City and County Councils, Kerry County Council, Department of Social Protection, Cork Local Drugs Task Force, Cork Education and Training Board and the Community Gardaí. We work with private landlords, voluntary housing bodies and a range of Community groups including Cork City Partnership and Cork Equal and Sustainable Communities Alliance (CESCA). Similarly, South East Simon Community has good working relationships with the Health Service Executive, Waterford City and County Council, Tipperary County Council, Department of Social Protection, and the Community Gardaí. We work with private landlords, voluntary housing bodies and a range of Community groups.
- Cork Simon Community and South East Simon have forged connections and networks with the Cork and South East business communities respectively.
- Cork Simon is a founding member of the Cork Homeless Network which brings together all the voluntary agencies in Cork providing services for people who are homeless.
- Cork Simon provides operational and management supports to South East Simon Community.

### **Structure, governance and management**

Cork Simon Community is a company limited by guarantee (CLG). Cork Simon Community has a Constitution. A Board of Directors is elected from among the membership of the company. The directors are volunteers. The membership is open to any person who has recently participated in the Community, as a service user or a volunteer, and who subscribes to the values of Cork Simon.

On 19 November 2020, Cork Simon acquired control of South East Simon Community when the constitution was amended to include that Cork Simon is entitled to appoint the majority of board members to South East Simon. South East Simon Community is a charitable company limited by guarantee (CLG). South East Simon Community has a Constitution. The members of the board of directors are the members of the company. The directors are volunteers. South East Simon has the same objects as Cork Simon. It provides services in Waterford, South Tipperary and Kilkenny. The Board members of South East Simon are currently the same as the board members of Cork Simon.

## **DIRECTORS' REPORT - continued**

### **Structure, governance and management – continued**

Cork Simon and South East Simon comply with the Charities Governance Code and regularly carry out reviews, including externally facilitated reviews of the Board and governance structures and management structures. In 2019 the Board, along with Cork Simon Community, carried out an externally facilitated review of the Board and governance structures and management structures of South East Simon. The next review is planned in 2023.

As Approved Housing Bodies, both entities are registered with the Approved Housing Bodies Regulatory Authority (AHBRA). Previously both communities signed up to the Voluntary Regulation Code for Approved Housing Bodies. Cork Simon and South East Simon adhere to the Guidelines for Charitable Organisations on Fundraising from the Public. In service delivery, both entities apply the National Quality Standards Framework, the Quality Standards in Alcohol and Drugs Services, and the Putting People First Code. Cork Simon has confirmed it has achieved the 'triple lock' standard as set out by the Charities Institute of Ireland.

Cork Simon Community and South East Simon are committed to openness and transparency both within the organisation and externally with donors, funders, supporters and the public. More information about this is available on our website <http://www.corksion.com/how-we-are-run/>.

The board of directors is responsible for governance and for developing and approving policies and strategies of the Community. The day-to-day management of the Community is delegated to the Director, Dermot Kavanagh, who is not a member of the Board of Directors. Dermot is supported by a management team. The management team are responsible for the implementation of the policies and strategies, as approved by the board of directors, and for managing the operation and delivery of services in line with Cork Simon Community and Simon South East values. No remuneration or employee benefits are paid by Cork Simon or South East Simon to the members of the Board of Directors.

The Board has established a Finance, Audit and Remuneration committee, a Quality and Safety committee, a Property Development committee, and an Investment Advisory committee. These meet during the year and report to the Board.

### **Principal risks and uncertainties**

The directors have ultimate responsibility for managing risk and are aware of the risks associated with the operating activities of Cork Simon and Simon South East. The directors carry out regular risk audits and review the risks on a quarterly basis. The directors are satisfied that adequate systems of governance, supervision, procedures and internal controls are in place to mitigate the exposure to the major risks and that these controls provide reasonable assurance against such risks. The major risks include risks arising from the financial risks, operational & safety risks, compliance risks and reputational risks.

#### *Ukraine war risk*

The war in the Ukraine continues to impact on the global and Irish economies. For Cork Simon and South East Simon and our service participants, there is a risk of inflation of energy and other costs. In time, there may be a risk to energy supplies. The arrival of refugees in Ireland from Ukraine is putting further pressure on the availability of housing and accommodation. The directors will monitor the impact on service participants and see how we can assist, while also monitoring the likely impact on the Communities.

#### *Financial risk*

Reduced or insufficient income will impact directly on services and the people who avail of them. Changes to government policy and economic climate can impact on fundraised income and on grants from statutory agencies. Measures to reduce this risk include an investment in a fundraising strategy which includes a mix of income streams, positive negotiation with key stakeholders and funders, and the management and control of budgets and costs. Financial information is subject to detailed review at board of directors' level allowing for continuous monitoring of both Community's operations and financial status.

## **DIRECTORS' REPORT - continued**

### **Principal risks and uncertainties - continued**

#### *Operational and safety risks*

Cork Simon's and Simon South East's services are aimed at people who are vulnerable and socially isolated. Poor quality services can have a detrimental impact on people. Both entities are committed to providing high quality services. We adhere to recognised quality standards, operate a training programme for staff and volunteers, and work to a range of operational and staff performance policies and procedures aimed at providing consistently safe living, working and volunteering environments.

#### *Compliance risk*

Cork Simon and Simon South East have to comply with a range of legislation and regulation. Non-compliance could incur penalty and result in reputational damage. Both entities signed up to the various governance codes relating to the voluntary sector and the approved housing bodies. The policies and procedures and internal control systems that are in place aim to ensure compliance with laws and policies, and to ensure efficient and effective use of both Community's resources.

#### *Reputational risk*

Cork Simon and Simon South East are delivering services on behalf of the wider community and relies on the support of that wider community. Damage to their reputation would impact on that support.

#### *Demand for services*

External risks include the impact of the recent and ongoing housing crisis. An increase to the number of people needing homeless services, or an inability of Cork Simon to access a range of housing options for people, or a change in government policy or de-prioritisation of homelessness can all impact on the services Cork Simon and Simon South East can offer. Both Cork Simon and Simon South East campaign and consult with key stakeholders to influence and mitigate the impact of these risks.

#### *Information security*

Cyber security is an increasing risk and phishing attempts continue to increase. There is a risk of reputational damage and/or fines from the Data Protection Commissioner in the event of data breaches. We are investing in our IT systems to minimise the threat from cyber-attacks.

### **Directors**

The names of the persons who are currently or were directors at any time during the year ended 31 December 2022 are set out below. Unless indicated otherwise, they served as directors for the entire year.

Ann Courtney (appointed 26 July 2022, retired 24 April 2023)  
Ann FitzGerald  
Anthony O'Donovan  
Bernadette McGonigle (appointed 23 January 2023, retired 4 May 2023)  
Brendan Ryan  
Christine Moloney (appointed 16 May 2022) (chairperson)  
Deirdre O'Shaughnessy (retired 16 August 2022)  
Eoin MacCuirc  
Ernest Cantillon (retired 21 March 2022)  
James Leonard (retired 27 June 2022)  
James O'Shaughnessy  
Jim Costello (appointed 25 April 2022, retired 23 May 2022)  
Katherine Harford (retired 01 August 2023)  
Leslie Warren  
Mary Ryan  
Michael Dineen (appointed 19 September 2022)  
Peter O'Meara  
Sean Ormonde (retired 23 August 2022)  
Paula Byrne (appointed 24 July 2023)  
Ruth Fuller (appointed 24 July 2023)  
Heather Reynolds (appointed 24 July 2023)  
Ned Brennan (appointed 24 July 2023)

## **DIRECTORS' REPORT - continued**

### **Directors – continued**

Brendan Ryan was company secretary during 2022 and continues to serve as company secretary.

All board members are volunteers with Cork Simon. No board member received any remuneration. There were no contracts of any significance in relation to the business of the Community in which the directors had any interest, as defined in the Companies Act 2014, at any time during the year ended 31 December 2022.

### **Directors' and secretary's interests**

No board member holds a beneficial interest in the charity.

The company is a company limited by guarantee, not having a share capital. The liability of the members is limited to €1.00 each, that they have guaranteed to contribute to the assets of the company on winding up of the company.

### **Statement of directors' responsibilities**

The directors are responsible for preparing the directors' report and the group and company financial statements in accordance with Irish law.

Irish law requires the directors to prepare financial statements for each financial year giving a true and fair view of the Group's and company's assets, liabilities and financial position at the end of the financial year and the profit or loss of the Group for the financial year. The financial statements have been prepared in accordance with Financial Reporting Standard 102 (FRS 102) and Irish statute comprising Companies Act 2014 as applied in accordance with the Statement of Recommended Practice (SORP) (FRS 102) 'Accounting Reporting by Charities' as jointly published by the Charity Commission for England and Wales and the office of the Scottish Charity Regulator, who are recognised by the UK Accounting Standards Board (ASB) as the appropriate body to issue SORPs for the charity sector in the UK. Financial reporting in line with the SORP is considered best practice for charities in Ireland. As noted above, the directors consider the adoption of the SORP requirements is the most appropriate practice and presentation to properly reflect and disclose the activities of the Group and Company.

Under Irish law, the directors shall not approve the financial statements unless they are satisfied that they give a true and fair view of the Group and Company's assets, liabilities and financial position as at the end of the financial year and the profit or loss of the Group and Company for the financial year.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards and identify the standards in question, subject to any material departures from those standards being disclosed and explained in the notes to the financial statements; and
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the Group and Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to:

- correctly record and explain the transactions of the Group and Company;
- enable, at any time, the assets, liabilities, financial position and profit or loss of the Group and Company to be determined with reasonable accuracy; and
- enable the directors to ensure that the financial statements comply with the Companies Act 2014 and enable those financial statements to be audited.

The directors are also responsible for safeguarding the assets of the Group and Company, hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in Ireland governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

## **DIRECTORS' REPORT - continued**

### **Going concern**

After making all necessary enquiries, the directors have a reasonable expectation that the group and company have adequate resources to continue in operational existence for the foreseeable future. Therefore these financial statements have been prepared on a going concern basis. The directors' assessment of the Group's and company's going concern position is set out in note 3(d).

### **Events since the end of the year**

Events since the end of the year are set out in note 19.

### **Accounting records**

The measures taken by the directors to secure compliance with the company's obligation to keep adequate accounting records are the use of appropriate systems and procedures and employment of competent persons. The accounting records are kept at 4 Lapps Quay, Cork city.

### **Political donations**

It is company policy not to make political donations. The Electoral (Amendment) (Political Funding) Act, 2012, requires companies to disclose all political donations to any individual party over €200 in value made during the financial year. The directors confirm no political donations have been made by the Company.

### **Disclosure of information to auditors**

The directors in office at the date of this report have confirmed that:

- as far as they are aware, there is no relevant audit information of which the company's statutory auditors were unaware; and
- they have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant information and to establish that the company's statutory auditors are aware of that information.

### **Statutory auditors**

The auditors, PricewaterhouseCoopers, have indicated their willingness to continue in office in accordance with the provisions of Section 383(2) of the Companies Act, 2014.

**By order of the board**

Christine Moloney

James O'Shaughnessy

9 August 2023

## ***Independent auditors' report to the members of Cork Simon Community***

### **Report on the audit of the financial statements**

---

#### **Opinion**

In our opinion, Cork Simon Community's consolidated financial statements and company financial statements (the "financial statements"):

- give a true and fair view of the group's and the company's assets, liabilities and financial position as at 31 December 2022 and of the group's net expenditure and the group's and the company's cash flows for the year then ended;
- have been properly prepared in accordance with Generally Accepted Accounting Practice in Ireland (Irish GAAP) (accounting standards issued by the Financial Reporting Council of the UK, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and Irish law); and
- have been properly prepared in accordance with the requirements of the Companies Act 2014.

We have audited the financial statements, included within the Consolidated Annual Report, which comprise:

- the consolidated and company balance sheets as at 31 December 2022;
  - the consolidated statement of financial activities for the year then ended;
  - the consolidated and company cash flow statements for the year then ended; and
  - the notes to the financial statements, which include a description of the significant accounting policies.
- 

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (Ireland) ("ISAs (Ireland)") and applicable law. Our responsibilities under ISAs (Ireland) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### ***Independence***

We remained independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in Ireland, which includes IAASA's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements.

---

#### **Conclusions relating to going concern**

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group's or the company's ability to continue as a going concern for a period of at least twelve months from the date on which the financial statements are authorised for issue.

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

However, because not all future events or conditions can be predicted, this conclusion is not a guarantee as to the group's or the company's ability to continue as a going concern.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

---

## Reporting on other information

The other information comprises all of the information in the Consolidated Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Directors' Report, we also considered whether the disclosures required by the Companies Act 2014 have been included.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (Ireland) and the Companies Act 2014 require us to also report certain opinions and matters as described below:

- In our opinion, based on the work undertaken in the course of the audit, the information given in the Directors' Report for the year ended 31 December 2022 is consistent with the financial statements and has been prepared in accordance with the applicable legal requirements.
- Based on our knowledge and understanding of the group and company and their environment obtained in the course of the audit, we have not identified any material misstatements in the Directors' Report.

---

## Responsibilities for the financial statements and the audit

### *Responsibilities of the directors for the financial statements*

As explained more fully in the Statement of directors' responsibilities set out on page 14, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view.

The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the group's and the company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the group or the company or to cease operations, or have no realistic alternative but to do so.

### *Auditors' responsibilities for the audit of the financial statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Our audit testing might include testing complete populations of certain transactions and balances, possibly using data auditing techniques. However, it typically involves selecting a limited number of items for testing, rather than testing complete populations. We will often seek to target particular items for testing based on their size or risk characteristics. In other cases, we will use audit sampling to enable us to draw a conclusion about the population from which the sample is selected.

A further description of our responsibilities for the audit of the financial statements is located on the IAASA website at:

[https://www.iaasa.ie/getmedia/b2389013-1cf6-458b-9b8f-a98202dc9c3a/Description\\_of\\_auditors\\_responsibilities\\_for\\_audit.pdf](https://www.iaasa.ie/getmedia/b2389013-1cf6-458b-9b8f-a98202dc9c3a/Description_of_auditors_responsibilities_for_audit.pdf)

This description forms part of our auditors' report.

### *Use of this report*

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with section 391 of the Companies Act 2014 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

---

## **Other required reporting**

---

### **Companies Act 2014 opinions on other matters**

- We have obtained all the information and explanations which we consider necessary for the purposes of our audit.
  - In our opinion the accounting records of the company were sufficient to permit the company financial statements to be readily and properly audited.
  - The company balance sheet is in agreement with the accounting records.
- 

### **Other exception reporting**

#### *Directors' remuneration and transactions*

Under the Companies Act 2014 we are required to report to you if, in our opinion, the disclosures of directors' remuneration and transactions specified by sections 305 to 312 of that Act have not been made. We have no exceptions to report arising from this responsibility.

## **NOTES TO THE FINANCIAL STATEMENTS**

### **1 General information**

Cork Simon Community is a charitable organisation established to alleviate homelessness and the problems associated with homelessness. The registered number of the company is 42511. The registered number of the charity is 20022914.

Cork Simon Community is a company limited by guarantee in the Republic of Ireland. The address of its registered office is 14 Cove Street, Cork.

These financial statements are the company's financial statements for the financial year beginning 1 January 2022 and ending 31 December 2022.

The company is a company limited by guarantee. The liability of the members is limited to €1.00 each, that they have guaranteed to contribute to the assets of the company on winding up of the company.

These financial statements are consolidated accounts. On 19 November 2020, Cork Simon acquired control of South East Simon. This has been accounted for as using merger accounting in the Group financial statements. South East Simon is a company limited by guarantee in the Republic of Ireland. The address of its registered office is 10A Waterside, Waterford. Its reporting date is 31 December 2022.

### **2 Statement of compliance**

Irish law requires the directors to prepare financial statements for each financial year giving a true and fair view of the Group's and company's assets, liabilities and financial position at the end of the financial year and the profit or loss of the Group for the financial year. The financial statements have been prepared in accordance with Financial Reporting Standard 102 (FRS 102) and Irish statute comprising Companies Act 2014 as applied in accordance with the Statement of Recommended Practice (SORP) (FRS 102) 'Accounting Reporting by Charities' as jointly published by the Charity Commission for England and Wales and the office of the Scottish Charity Regulator, who are recognised by the UK Accounting Standards Board (ASB) as the appropriate body to issue SORPs for the charity sector in the UK. Financial reporting in line with the SORP is considered best practice for charities in Ireland. As noted above, the directors consider the adoption of the SORP requirements is the most appropriate practice and presentation to properly reflect and disclose the activities of the Group and Company. The corresponding figures included in the comparative financial statements are prepared on the same basis.

### **3 Summary of significant accounting policies**

The significant accounting policies used in the preparation of the financial statements are set out below. These policies have been consistently applied to all financial years presented, unless otherwise stated.

#### **(a) Basis of preparation**

The financial statements have been prepared under the historical cost convention.

The financial statements have been prepared in accordance with Financial Reporting Standard 102 (FRS 102) and Irish statute comprising Companies Act 2014 as applied in accordance with the Statement of Recommended Practice (SORP) (FRS 102) 'Accounting Reporting by Charities' as jointly published by the Charity Commission for England and Wales and the office of the Scottish Charity Regulator, who are recognised by the UK Accounting Standards Board (ASB) as the appropriate body to issue SORPs for the charity sector in the UK. Financial reporting in line with the SORP is considered best practice for charities in Ireland. As noted above, the directors consider the adoption of the SORP requirements is the most appropriate practice and presentation to properly reflect and disclose the activities of the Group and Company. The corresponding figures included in the comparative financial statements are prepared on the same basis.

## **NOTES TO THE FINANCIAL STATEMENTS - continued**

### **3 Summary of significant accounting policies - continued**

#### **(a) Basis of preparation – continued**

The preparation of financial statements in conformity with FRS 102 requires the use of certain key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the financial year. It also requires the directors to exercise its judgement in the process of applying the company's accounting policies. The areas involving a higher degree of judgement or areas where assumptions and estimates have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are disclosed in note 4.

Cork Simon Community and South East Simon both meet the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value, unless otherwise stated in the relevant accounting policy note.

The consolidated financial statements comprise the financial statements of the holding company and its subsidiary undertaking. The attributable results of acquisitions are included in the financial statements from the date of acquisition. Similarly, the attributable results of disposals are included in the financial statements to the date of disposal.

#### **(b) Basis of consolidation**

The Group consolidated financial statements include the financial statements of the Company and its subsidiary undertaking.

A subsidiary is an entity controlled by the Group. Control is the power to govern the financial and operating policies of an entity to obtain benefits from its activities.

Where accounting policies followed by subsidiary undertakings differ significantly from those adopted for the Group's financial statements, appropriate adjustments are made to ensure a consistent basis of accounting.

Any subsidiary undertakings sold or acquired during the year are included up to, or from, the dates of change of control or change of significant influence respectively.

All intra-Group transactions, balances, income and expenses are eliminated on consolidation.

#### **(c) Merger accounting method**

The company has used the merger accounting method to account for the acquisition of South East Simon. The carrying amounts of the acquired entity's assets and liabilities are not adjusted to fair value, although appropriate adjustments are made to achieve uniformity of accounting policies in the combining entities. No new goodwill arises under merger accounting, and the acquired entity's assets and liabilities are brought in at the amounts at which the entity recorded them in its books before the combination (subject to adjustment for uniform accounting policies).

#### **(d) Going concern**

The Group and Company meets their day-to-day working capital requirements through its cash reserves, grant income, fund-raising income, rental income and return on investments. There are ever-present risks about the ability of the Group and Company to maintain the same level of income we have achieved in previous years including: risks to fundraising and grant income streams in the future, which are presently unknown; the risk of cost inflation; and how the economic impact of macroeconomic issues might impact on future demands for our services. We are engaging with statutory funders, mainly Cork City Council and HSE, to address ongoing shortfalls in grant income.

## **NOTES TO THE FINANCIAL STATEMENTS - continued**

### **3 Summary of significant accounting policies - continued**

#### **(d) Going concern – continued**

The Board have assessed the impact of these challenges and risks on its financial and operating outlook, and considered this on its cash flows, along with appropriate mitigations. The directors expect that the Group and Company will be in a position to meet their obligations as they fall due for the foreseeable future. In arriving at its conclusion, the board has taken account of the level of cash resources which the company maintains to enable it to meet its working capital requirements. It holds no external bank debt. The Capital Assistance Scheme mortgages on properties are set in such a way that the Group/Company is relieved of repayments, as set out in note 13.

After making all necessary enquiries, the directors have a reasonable expectation that the Group and Company have adequate resources to continue in operational existence for the foreseeable future. Therefore these financial statements have been prepared on a going concern basis.

#### **(e) Revenue**

##### *(i) Donations and other fundraising activities*

In common with many similar charitable organisations, the company derives a proportion of its income from voluntary donations and fund raising activities held by individuals or parties outside the control of the company. Accordingly, donations are recognised when the Group/Company has entitlement to the income, certainty of receipt and the amount can be measured with sufficient reliability. In the case of voluntary income receivable by way of donations and gifts, income is recognised when the donation is entered into the Group/Company's bank accounts or entered into the Group/Company's accounting records. Fund-raising income is shown gross without deduction of any overhead costs involved in raising such funds.

##### *(ii) Legacies*

Income arising from a legacy is recognised when there is a grant of probate, when the amount can be measured reliably and when conditions attached are within the control of Group/Company. Often this is when the bequest has entered the Group/Company's bank account or title deeds of the related properties have transferred to the Group/Company. Where material, legacies that are not recognised as income will be disclosed as contingent assets.

##### *(iii) Revenue grants*

Revenue grants relating to charitable activities are recognised when receivable and are reflected in the Statement of Financial Activities on this basis.

##### *(iv) Capital grants and donations*

Grants and donations receivable in connection with capital expenditure are recognised in the Consolidated Statement of Financial Activities and included in the Restricted Building Fund when receivable. On an annual basis, a transfer is made from the Restricted Building Fund to the Unrestricted Funds on the same basis as the related tangible assets are depreciated.

#### **(f) Other revenue**

The Group/Company earn interest income. Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Group/Company; this is normally upon notification of the interest paid or payable by the bank.

#### **(g) Deferred income**

Grants relating to expenditure to be incurred in a future accounting period received in advance are deferred and recognised in the period to which they relate. Deferred income is released to income in the period in which the related performance occurs.

## NOTES TO THE FINANCIAL STATEMENTS - continued

### 3 Summary of significant accounting policies - continued

#### **(h) Capital assistance scheme loans**

Loans under Capital Assistance Schemes, receivable from local authorities for the purposes of acquiring and developing specified housing properties and advanced to the Community under the terms of a mortgage agreement, are recognised in the financial statements as creditors repayable over fixed terms of 30 years. Under the terms of the mortgage agreement the Group/Company is relieved of monthly capital and interest repayments by the relevant local authority provided the Group/Company is in compliance with certain specific conditions. The repayments so relieved are recognised in the Statement of Financial Activities as they are waived or relieved. If the company fails to comply with the specific condition, the unrelieved balance becomes repayable.

The amounts repayable to the local authorities under the terms of the Capital Assistance Scheme, representing advances received as reduced by repayments relieved, are disclosed as creditors classified as 'amounts repayable within one year' and 'amounts repayable after more than one year'.

This loan is accounted for as Public Benefit Entity Concessionary Loans under Chapter 34 of FRS 102.

#### **(i) Restricted and unrestricted funds**

The Group/Company operate the following funds:

##### *(i) Restricted funds*

Restricted income funds are to be used for specific purposes as laid down by the donor or grantor. Expenditure which meets these criteria is shown as charged to the fund. These funds may become repayable in the event that the conditions laid down by the donor or grantor are not adhered to.

##### *(ii) Unrestricted funds*

Unrestricted income funds are donations and other incoming resources received or generated for charitable purposes which can be used at the discretion of the Group/Company in furtherance of the objects of the Charity.

##### *(iii) Restricted building funds*

Restricted building funds are to be used for specific capital purposes as laid down by the donor or grantor. The funds that have been spent on housing assets are amortised over the same period as the related asset is depreciated. The funds that have not been spent may be repayable in the event that the conditions laid down by the donor or grantor are not adhered to.

##### *(iv) Designated funds*

The Group/Company aims to maintain its housing properties in good condition and repair. The designated fund represents unrestricted funds allocated for the future maintenance and development of the Community's housing properties. This is often referred to as the Sinking Fund.

#### **(j) Expenditure**

Expenditure accounted for when they are incurred and include amounts due at the end of the year but not paid. Expenditure expended include attributable Value Added Tax which cannot be recovered. Expenditure expended are allocated to the particular activity or service where the cost relates directly to that activity or service. The costs of supporting activities, training, volunteers and overall direction are reallocated to each activity or project based mainly on staff and volunteer numbers and utilisation.

Expenditure on raising funds includes the staff time directly spent on raising funds, the cost of producing and disseminating literature, and the delivery of fundraising events. The cost of generating funds also include the costs incurred in fundraising and encouraging third parties to make voluntary contributions now and in the future towards the provision of services by the Community. The costs are expensed when they are incurred, although the benefit in terms of funds raised may occur in a future period.

#### **(k) Tangible fixed assets**

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses. Cost includes the original purchase price, costs directly attributable to bringing the asset to the location and condition necessary for its intended use, applicable dismantling, removal and restoration costs and borrowing costs capitalised. Assets in the course of construction are carried at cost. These assets are not depreciated until they are available for use.

## NOTES TO THE FINANCIAL STATEMENTS - continued

### 3 Summary of significant accounting policies - continued

#### **(k) Tangible fixed assets - continued**

##### *(i) Depreciation and residual values*

Depreciation is calculated, using the straight-line method over their estimated useful lives, as follows:

Freehold property	25 years
Fixtures, fittings, tools and equipment	3 to 5 years
Motor vehicles	5 years

The assets' residual values and useful lives are reviewed, and adjusted, if appropriate, at the end of each financial year. The effect of any change in either residual values or useful lives is accounted for prospectively.

##### *(ii) Repairs and maintenance*

Repairs, maintenance and minor inspection costs are expensed as incurred.

##### *(iii) De-recognition*

Tangible assets are de-recognised on disposal or when no future economic benefit is expected. On disposal, the difference between the net disposal proceeds and the carrying amount is recognised in the Statement of Financial Activities.

#### **(l) Financial instruments**

The company has chosen to apply the provisions of Sections 11 and 12 of FRS 102 to account for all of its financial instruments.

##### *(i) Financial assets*

Basic financial assets, including sundry debtors, cash and cash equivalents, short-term deposits and investments in corporate bonds, are initially recognised at transaction price (including transaction costs), unless the arrangement constitutes a financing transaction. There were no financial asset arrangements that constituted a financing arrangement.

Other financial assets are initially measured at fair value, which is normally the transaction price.

Realised gains and losses on disposal of investments are the difference between sales proceeds receivable and carrying value. Unrealised gains and losses are the difference between market value at year end and carrying value.

Financial assets are de-recognised when (a) the contractual rights to the cash flows from the asset expire or are settled, or (b) substantially all the risks and rewards of ownership of the financial asset are transferred to another party, or (c) control of the financial asset has been transferred to another party who has the practical liability to unilaterally sell the financial asset to an unrelated third party without imposing additional restrictions.

##### *(ii) Financial liabilities*

Basic financial liabilities, including trade and other creditors, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction. Where the arrangement constitutes a financing transaction the resulting financial liability is initially measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

#### **(m) Allocation of support costs**

Support costs are those functions that assist the delivery of the charitable activities. Support costs include finance, human resources, volunteer coordination, payroll and governance costs which support the charity's programmes and activities. These costs have been allocated between cost of raising funds and expenditure on charitable activities. The basis on which support costs have been allocated are set out in note 5.

## NOTES TO THE FINANCIAL STATEMENTS - continued

### 3 Summary of significant accounting policies – continued

#### **(n) Employee benefits**

##### *(i) Defined contribution plan*

The company operates a defined contribution pension scheme. The company's contributions to this scheme are dealt with in the Statement of Financial Activities on an accruals basis.

##### *(ii) Short term benefits*

Short term employees' benefits, including paid holiday arrangements and other similar non-monetary benefits, are recognised as an expense in the financial year in which employees render the related service.

#### **(o) Donated goods, facilities and services, including volunteers**

Goods and services donated to Cork Simon Community include items used in the delivery of services and items passed on to people using Cork Simon services. Where it is practical to record and measure reliably the value of these donated goods, the value of the goods is included in income and in related expenditure. Donated goods that are in store at the year end and that are expected to be used after the year end, are included in stock, where it is possible to measure reliably the value of these items.

In accordance with the Charities SORP (FRS 102), general volunteer time is not recognised in the financial statements.

Please refer to the review of activities in 2022 section within directors' report for more information about the volunteers' contribution to the Community.

### 4 Critical accounting judgements and estimation uncertainty

Estimates and judgements made in the process of preparing the financial statements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The directors make estimates and assumptions concerning the future in the process of preparing the financial statements. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are addressed below.

#### *Useful economic lives of tangible fixed assets*

The annual depreciation on tangible fixed assets is sensitive to changes in the estimated useful economic lives and residual values of the assets. The useful economic lives and residual values are reviewed annually. They are amended when necessary to reflect current estimates, based on technological advancement, future investments, economic utilisation and the physical condition of the assets. See note 9 for the carrying amount of the tangible fixed assets and note 3 for the useful economic lives for each class of tangible fixed assets.

#### *Recognition of bequests*

When the Group/Company is made aware of a potential bequest, estimates and assumptions are made concerning the probable timing of any income and eventual value of the bequest income, in assessing when that income should be recognised.

#### *Performance related income*

When recognising income judgements are occasionally required to ascertain whether the grant or donation is performance or non-performance based. All judgements made are in relation to individual grants or donations.

#### *Recoverability of debtors*

When evaluating the recoverability of rent debtor balances, judgements are required to ascertain whether the receipt of specific amounts is reasonably assured and what level of provision is needed for amounts considered at risk.

Direct costs are costs, excluding staff costs, which are incurred directly for the specific areas of activity. These include costs such as rent, household costs, welfare, utilities, food, repairs, insurance and fundraising costs.

Support costs include internal finance, maintenance, IT, human resources, administration and general management functions. Training costs relate to the cost of running an extensive training for staff and volunteers essential to their work environment. Volunteering costs are incurred in providing for and accommodating full time volunteers and coordinating full-time and part-time volunteer activity. These costs are allocated across other services on the basis of staff and volunteer numbers and utilisation as appropriate.

Costs incurred on behalf of South East Simon occurred due to assistance and support provided by Cork Simon Community to South East Simon. These were fully recharged to South East Simon with no margin being earned on the transactions.

	<u>8,223,878</u>	<u>7,325,604</u>

None of the directors have been paid any remuneration or received any other financial benefit from Cork Simon. A total of €Nil of out-of-pocket expenses were reimbursed to directors in 2022.

**8 Employee information and benefits**

(a) The average number of whole time equivalent staff employed by the Community during the year is 152. At the end of the year the whole time equivalent are analysed below:	2022	2021
	Number	Number
Homeless services	134	109
Campaigning and research	2	3
Raising funds	10	11
Community employment scheme	6	9
South East Simon Community	8	7
	<u>160</u>	<u>139</u>
(b) The company's employment costs for all employees comprise:	2022	2021
	€	€
Wages and salaries	7,292,418	6,482,550
Social insurance costs	741,675	665,769
Other retirement benefit costs	189,785	177,285
	<u>8,223,878</u>	<u>7,325,604</u>

(c) The staff working in South East Simon Community are employees of Cork Simon Community.

(d) At the end of 2022, 205 (2021: 179) individual people were employed. Of these 87 (2021: 76) people were employed full time, 70 (2021: 60) were part time, 11 (2021: 18) were on the Community Employment Scheme (CES) and 37 (2021: 25) were on the staff relief panel.

**NOTES TO THE FINANCIAL STATEMENTS - continued**

**8 Employee information and benefits – continued**

(e) Cork Simon employs professional staff with diverse skills and expertise to support the work we do. At the end of 2022, the number of whole-time equivalent staff with pay, excluding employer retirement benefit costs, falling within the following bands was:

	2022 Number	2021 Number
Up to €29,999	46	27
Between €30,000 and €39,999	56	55
Between €40,000 and €49,999	30	31
Between €50,000 and €59,999	14	12
Between €60,000 and €69,999	8	9
Between €70,000 and €79,999	2	1
Between €80,000 and €89,999	2	3
Between €90,000 and €99,999	2	1
	<u>160</u>	<u>139</u>

(f) Other retirement benefit costs related to a defined contribution pension scheme operated by Cork Simon. The total charge for the year amounted to €189,785 (2021: €177,285). Contributions of €Nil (2021: €Nil) are outstanding at balance sheet date.

(g) Included in wages and salaries is €88,229 (2021: €60,000) which is the cost of redundancy payments made to staff during 2022.

(h) Key management personnel of the Community refers to the organisation's Director (not a member of the Board of Directors) who had a salary totalling €95,366 (2021: €95,791), employers' PRSI of €10,537 (2021: €10,591) and employer pension contribution of €4,801 (2021: €4,739). The directors' remuneration is €Nil (2021: €Nil).

Trade and other creditors are payable at various dates in the two months after the end of the financial year in accordance with the creditors usual and customary credit terms.

Creditors for tax and social insurance are payable in the timeframe set down in the relevant legislation.

Deferred income includes certain grant income related to future periods. The year-end balance relates to: an advance of €140,000 from the HSE towards the provision of future additional nursing service on the Adult Homeless Multi-Disciplinary Team; €483,907 from the HSE towards a stabilisation facility; €47,000 from the HSE drugs and alcohol service towards addiction counsellor and dialectical behaviour therapy in Cork; €12,193 from the HSE drugs and alcohol service towards needle exchange service and safer injecting training; and €698,037 from the HSE towards recruitment of posts for the homeless integrated team, self-isolation and West Cork respite projects. We release these to income as the related activity is performed. Furthermore, deferred income includes an advance of €30,857 from the Department of Employment Affairs and Social Protection on the Community Employment Scheme grant is released to net income as the grant advance is recovered by the scheme.

	<u>9,828,498</u>	<u>9,694,611</u>
	<u>10,383,356</u>	<u>10,228,647</u>

Loans under Capital Assistance Schemes are received by the Group from the local authorities by way of mortgage, and are repayable over the repayment years for each funding agreement of 20 to 30 years.

The local authority has a charge over the Group's properties as security for the finance received. Under the terms of the mortgage, the Group is relieved of monthly capital and interest repayments so long as the Group is in compliance with the specific conditions set out in the relevant mortgage agreement, primarily with respect to the use and upkeep of the related properties. During the year, €552,100 (2021: €540,241) was recognised in the Consolidated Statement of Financial Activities in respect of this matter.

**NOTES TO THE FINANCIAL STATEMENTS - continued**

**13 Creditors - Amounts falling due after more than one year - continued**

Under the terms of the Capital Assistance Schemes the amounts repayable to the local authority as at the balance sheet date of €10,383,356 (2021: €10,228,647) represent the aggregate finance received to date amounting to €18,666,869 (2021: €17,960,060) as reduced by the cumulative repayments relieved to date of €8,283,513 (2021: €7,731,413). The movement for the year relates to new Capital Assistance Schemes funding received of €706,809 (2021: €369,342), offset by repayments relieved (and credited to the Consolidated Statement of Financial Activities) of €552,100 (2021: €540,241) in 2022.

	2022
	€
(m) Restricted income received in South East Simon	
Health Service Executive Area 5, social inclusion, section 39 annual grant in aid for case management and enhancement of the Housing First service.	81,864
Health Service Executive Area 5, social inclusion, one off grant for staff mental health training	71,000
Waterford City and County Council grant towards staffing and administration costs of delivering housing first services and supports.	71,663
	<u>224,527</u>
(n) Transactions incurred on behalf of South East Simon occurred due to assistance and support provided by Cork Simon Community to South East Simon. These have been recharged to South East Simon in full, with no margin.	

In addition to the amounts set out in the note above, the directors also note that the Group receives food and related products through FoodCloud under the Support for the Most Deprived (SMD) programme, through the Department of Social Protection and European Union grants. This supports individuals availing of meals provided at Cork Simon services and through food packs. This matter has not been quantified in these financial statements.
