

Dear [NAME]

This year we are supporting **Cork Simon Community** in their annual Christmas Jumper Day fundraiser.

Our team are super excited to be taking part and determined to give generously to support Cork Simon Community's vision that no child should grow up to be homeless at Christmas.

In 2022, €120,000 was raised to support services for men and women that are homeless.

This year, we would like to help beat that amount!

To help us boost our fundraising, we are asking for you to **match our donations** this year. It would make a huge difference at a time when the support we give is needed more than ever.

Will you match our donation?

Kind Regards

[YOUR NAME]
